

7-axis cobots for

SPECIAL
OFFER

- **Universities & Colleges**
- **Research Institutes**
- **Schools**

Expand automation
know-how

Integrate cobots
into lab work

A first easy step into
collaborative robotics

ROS-/ROS2-
integration
& more

"Our 7-axis cobots are already used in many sectors of industry. When schools, universities and research institutes are also enthusiastic about our innovation, we're thrilled."

Kristian Kassow, CEO, Co-Owner & 2002 Graduate of the Technical University of Denmark, Copenhagen

kassow robots

strong · fast · simple

7 Axis – Five Cobots – One Goal:

Simply automate with flexibility!

***Great manoeuverability
& around-the-corner reach***

***Easy programming
& operation***

***High flexibility
& fast repositioning***

***Programming via script
& rare singularity***
